Hello Everyone!

My name is Ma' Rena Henson and I am senior nursing student at Rose State College. I am very excited to serve as the 2019-2020 Marketing Director for ONSA. After serving as the President and SNA Representative at my school's, I was motivated to run for my first state board position.

Some of my goals for the 2018-2019 year include:

- I plan to have completion of my ADSN at Rose State College by May 10th of 2019.
- I also plan to pass the National Licensing Exam by June 2019 and to start in a New Grad Nurse Residency by June of 2019.
- As a new grad, I plan on working for at least one year before continuing my education into my specialization.
