2019-2020 ONA Consultant

Oral Roberts University

Colonel, USAF, NC (Retired)

It is great to serve the nursing students of the great state of Oklahoma as your consultant from the Oklahoma Nurses Association. I'm entering my 7th year as the consultant to the Oklahoma Nurses Student Association. I have my BSN from Oral Roberts University, my MA in Human Resource Development from Webster University, and my Doctorate from the University of Phoenix in Health Administration. I am currently teaching in the Healthcare Administration program and the RN to BSN program at ORU. It is my pleasure to serve as your consultant!

Some of my goals for the 2019-2020 year include:

- Ensuring our financial sustainability of ONSA
- Advocating with nurses, universities, and professional organizations on behalf of the student nurses in Oklahoma
- Encouraging student nursing leaders to greater results through mentorship, leadership, professional, and personal development
